**Total CIAP Funds Requested:** \$1,700,000

**Parish CIAP Funds Proposed:** \$1,700,000

**State CIAP Funds Requested:** 0

**Infrastructure Funds Proposed:** 0

**Description and Location of Project:**

The proposed project would consist of 2500 feet of shoreline protection extending from the St. John the Baptist/St. Charles boundary line in Lake Pontchartrain, headed west. The proposed feature consists of foreshore rock dike with gaps for fishery and public access to the shoreline.

**Project Type (from list of authorized CIAP fund uses):**

Conservation, restoration and protection of costal area, including wetlands.

**Project Justification:**

The subject shoreline has been eroding in a continual basis. This is a joint project in conjunction with St. Charles, as a continuing effort to salvage the shoreline and wet lands.

**Project cost share (Types and amounts of non-CIAP funds, proposed, if any):**

None.
